

Markham Stouffville Hospital Corporation (MSH) is a progressive, two-site, community hospital with leading diagnostic services and clinical programs in acute care medicine and surgery, addictions and mental health, and maternal and child health; all focused on the needs of our rapidly growing communities. Partnering with other specialist providers, the 275 physicians and 1,700 staff of the Hospital make it the centre of community care for the residents of the Towns of Markham, Stouffville and Uxbridge—a population of over 300,000 people.

Did you know...

- Markham Stouffville Hospital (MSH) opened its doors on March 5, 1990 to a welcoming community of approximately 77,000 people.
- In January of 2004, Markham Stouffville Hospital Corporation welcomed Uxbridge Cottage Hospital as a partner site.
- That between our two sites we have 225 beds, 205 at our Markham site and 20 at our Uxbridge site.
- MSH has 27 surgeons and that close to 70% of our surgical patients were treated and able to return home within the same day.
- That between the Markham and Uxbridge sites there are almost 1,000 volunteers giving back to their community.
- That our community is one of the fastest growing in Ontario, with a 24% increase in population over the last three years. It is also one of the most ethnically diverse municipalities in Canada.
- Markham Stouffville Hospital is planning an expansion of its facility to meet the needs of its growing communities.
