

### **MSH Board Director and Community Member Recruitment for 2019/20**

Markham Stouffville Hospital (MSH) is a large community hospital with sites in Markham and Uxbridge as well as a Reactivation Care Centre. MSH has a reputation for excellence in progressive community care and is uniquely positioned with state of the art technology, expansive new facilities and a supportive and welcoming community. With a focus on patient experience, safe, high quality care and innovation, our dedicated team of physicians, staff and volunteers provides care to over 300,000 patients a year. The hospital has capacity to grow a number of programs and services as we evolve to meet the needs of our growing community. We are dedicated to providing access to the right care, at the right time, in the right place by the right people and at the right cost. Are you ready to join us?

The Markham Stouffville Hospital Board of Directors is currently recruiting new Board and community members for the 2019/20 Board year starting in June 2019. At a minimum, Board members should expect to commit 10 hours per month of their time to hospital business, including attending Board and committee meetings. Individuals receive no monetary compensation for these roles. MSH is a skills based Board and vacancies will be filled by individuals with the needs and skills identified by the Board as part of their annual recruitment planning cycle.

We expect that candidates will bring a range of skills and experience to the MSH Board of Directors, including, but not limited to those skills listed below. Prospective candidates for the Board will be considered based on equal weighting of the following criteria:

- Fit with the organizational mission, values and culture
- Alignment of experience and influence that represents value added to champion our strategic goals
- Required skills and abilities to meet accepted good governance standards
- Goal of increased cultural diversity and gender balance to reflect our community and diverse stakeholders
- Be a resident, or employed, or carry on business in the Markham/Stouffville/Uxbridge catchment area
- Has been a patient or family member of a patient at MSH within the past year
